*"We recommend French Summer tournaments for all of our players. In addition to playing lots of high-quality matches, my players had an unforgettable cultural experience, and they matured as they learned to navigate their own travel and logistics in a foreign country. GSC provides just the right amount of support and structure to get players started on their French tour, but Marc and his team do not micromanage. I highly recommend GSC!"*

— Geoff McDonald,  
Former Vanderbilt Women's Coach

*"GSC provides great service in my experience with them. I used them myself when I played and have used them for my kids and team members. Our team had a great team trip and got a lot out of it. France is one of the great places to play tennis in the world with many great tournaments for any level of tennis player. No one knows the tournaments better than Marc—he will find the right tournaments for you. You can play up to 3 tournaments a week."*

— Peter Smith,  
Former USC Men's Coach
